

Diego Fernando Chaves Suarez

Date of birth: 10/03/1992 | Gender: Male | Nationality: Colombian | Mobile phone: +351 934784391 | Email address: dieg_ch02@hotmail.com | Website: <https://diegochaves1.github.io/about/>

Work experience

Marketing Specialist (Meta Pro Team)

01/04/2021 – Current

Lisbon, Portugal

- Produced clear step-by-step documentation for stakeholders to execute fixes and maintain stable tracking setups.
- Identified funnel and customer journey opportunities, proposing improvements aligned with conversion goals and scalable growth.
- Supported the implementation and debugging of Meta Pixel and Conversions API (CAPI), including event setup guidance, validation, and deduplication best practices.
- Diagnosed campaign and account issues and provided actionable recommendations to improve delivery and efficiency (structure, measurement readiness, and best-practice implementation).
- Helped ensure e-commerce measurement foundations were correctly set (events, catalogs/product feeds, and conversion tracking consistency).

WordPress & E-commerce Marketing

05/03/2018 – 25/09/2020

Mandalas en la Onda | São Paulo, Brazil

- Led organic social media strategy, expanding the community and consistently attracting new users through content planning and execution.
- Designed and executed digital marketing campaigns for product launches, seasonal collections, and commercial promotions (creative coordination + campaign execution).
- Built and maintained WordPress websites using Elementor, including landing pages and conversion-focused layouts.
- Created and managed online stores with WooCommerce (product setup, categories, basic store configuration, and content updates).
- Produced paid social creative assets for campaigns and organic content using Adobe Photoshop (ad creatives, posts, banners).
- Planned and recorded video content for campaigns and new product launches.

Cinematographer's Assistant

20/04/2014 – 09/01/2015

CMI LA NOTICIA | Bogota, Colombia

- Assisted with the setup, rigging, and handling of professional cameras and technical equipment for live national news broadcasts.
- Positioned and adjusted studio lighting equipment to ensure optimal visual quality and compliance with network broadcast standards.

Education & Training

Audiovisual Technician

30/11/2010 – 30/11/2012

CORPORACION UNIFICADA NACIONAL | Bogotá, Colombia
